

2024 IMPACT REPORT

Bondye ap travay! God is at work!

Amid continuing challenges in Haiti, hope was experienced by the communities that HOM serves in the Cité Soleil commune. With God's provision and the generosity of our supporters, the ministry made a very real difference in the lives of our Haitian brothers and sisters.

EDUCATION

1,920 STUDENTS in grades Pre-K through 13 received a Christ-centered, academically rigorous education in our four schools.

HUNGER RELIEF

352,985 MEALS were provided to school students and community members, meeting an urgent need as hunger worsened in Haiti.

HEALTH CARE

16,671 ADULT AND PEDIATRIC PATIENTS received essential medical and dental care in our community clinic, a rare resource in the area.

CLEAN WATER

2,468 FAMILIES received free, drinkable water distributed at our four treatment sites.

SPIRITUAL CARE

3,350 INDIVIDUALS heard God's word through weekly worship services, Bible study groups, and community outreach.

A MILESTONE YEAR

2024 marked the 35th anniversary of HOM. A joyous gathering was held in May to celebrate with old and new friends from across years and miles. The support of so many sustains our ministry!

MAKING MORE FRIENDS IN 2024

HOM's founder Leon Dorleans traveled to the US in early 2024 to attend a conference but was unable to return home due to chaotic conditions and safety concerns in Haiti. This extended US stay has given Leon and HOM the opportunity to visit long-time friends — and the share the good news of HOM with new ones. **In 2024, Leon visited 16 states and 36 churches.**

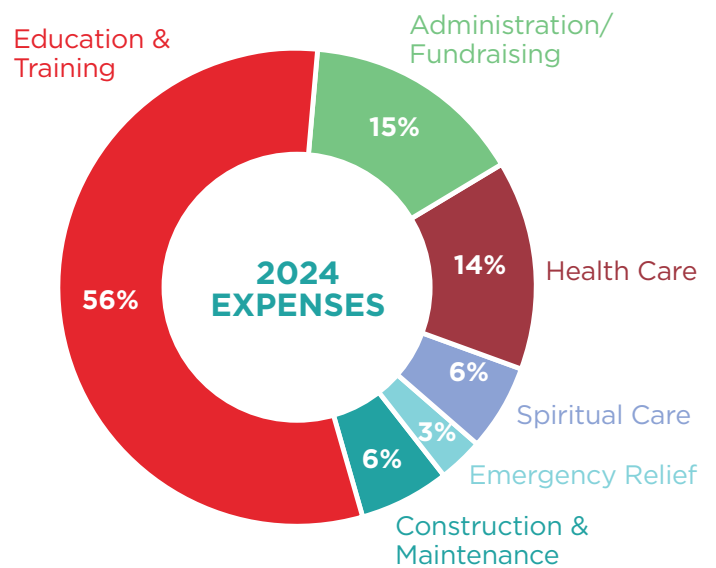

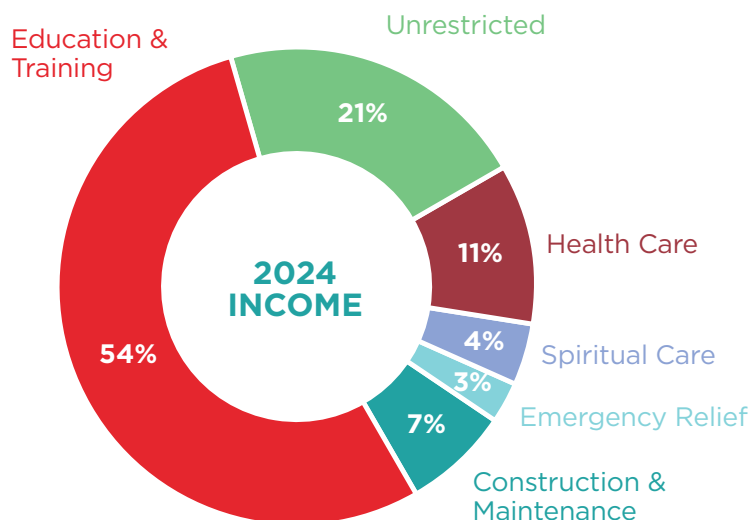

“My experience here over the past year has been nothing but positive. It is a big encouragement that our supporters and friends are still so supportive and not discouraged. I am glad for the faithfulness of all our supporters, how encouraging they are, and how glad they are to hear about Haiti. I am particularly glad that people have not given up on Haiti.”
